AUTHORIZATION I authorize UT physicians to secure medical information from other providers, and to release medical information to insurers (including Medicare if appropriate) and other physicians. I authorize UT Physicians to release medical and insurance information to outside agents used to assist diagnosis and treatment. I understand these may be faxed. I further authorize the physicians treating me to perform basic office procedures such as manipulations, casting, taking x-rays, and performing injections as they are discussed with me. I authorize the use of my verbal consent in lieu of a written consent for these procedures, which have been explained to me. I also authorize benefits to be paid directly to UT Physicians on my behalf. I understand I am financially responsible for any balance not covered by my insurance. A copy of this signature is as valid as the original. I also understand that it is my responsibility to make sure that my referral is accurate, and denial of payment because of my not obtaining this will result in my being personally responsible for the charges incurred. I also understand that it is my responsibility to make sure that all insurance information provided is accurate and up to date. If it is not, I will assume responsibility for charges that are denied because of not filing to the right carrier in a timely fashion.
